PORCELAIN PAVERS

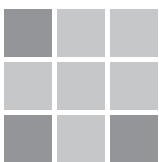

Terrazzo - Charcoal

Dark grey base color with a bluish undertone peppered with irregular shaped flecks of black and grey and the occasional brown fleck, simulating the stone chips used in manufacturing traditional cement based terrazzo flooring.

Individual pavers display relatively small color and tonal variation.

Lightly textured, anti-slip surface.

Color & Shade Variation:

V2

Light to moderate variation in shade & texture

Size:

23 1/2" x 23 1/2"

11 3/4" x 23 1/2"

Specifications:

Thickness	3/4"
Weight	9 lb / sq.ft
Water Absorption	< 0.1%
Frost Resistance	Resistant
Static Load	Center > 1700 lbf Center of Sides > 1200 lbf
Breaking Strength	> 2250 lbf
Coefficient of Friction	> 0.6 wet, > 0.6 dry
Slip Resistance	R11
SRI	30
