PORCELAIN PAVERS

## PIEDMONT EARTH (Rough)

Sophisticated and modern, Piedmont Dark features a dark grey background with warm, sepia-colored cloud effects, speckled with dense constellations of tiny fossils and large charcoal streaks tempered by fine amber-grey veins.

High variation in shade and features between individual pavers.

A much rougher surface than most porcelain pavers, offering enhanced

Color & Shade Variation:

**V4**

Very high shade & texture variation & random color differences

Size:

48"x24"

Thickness:	3/4"
Weight:	9 lb/sq.ft.
Packing:	2 pces/ctn
Water absorption:	0.05%
Breaking strength:	13.600 N
Slip resistance:	R11C (DIN51130)
Frost resistance:	resistant
