PORCELAIN PAVERS

PIEDMONT EARTH (Rough)

The light grey palette features a somewhat mottled effect with occasional beige colored inclusions and large, random veins. Relatively high variation in shade and features between individual pavers.

A much rougher surface than most porcelain pavers, offering enhanced slip resistance (R11C).

Color & Shade Variation:

V4

Very high shade & texture variation & random color differences

Size:

48"x24"

Thickness:	3/4"
Weight:	9 lb/sq.ft.
Packing:	2 pces/ctn
Water absorption:	0.05%
Breaking strength:	13.600 N
Slip resistance:	R11C (DIN51130)
Frost resistance:	resistant
